GENDER INTEGRATION FRAMEWORK

GIF Course Purpose

The aim of this course is to provide participants with a foundational knowledge of the Gender Integration Framework (GIF) and offer initial practice in using it in their specific context. This practice will encourage a structured conversation about the inclusion of gender in project design, planning and implementation, and evaluation.

GIF Course Learning Objectives

By the end of this workshop, participants will be able to:

1. Describe what data can feed into the Gender Integration Framework
2. Practice using the GIF
3. Plan how the GIF will be used in their own work
