It would be great if the presentation can be send to all participants.

Hello all, this is Ian at the Food, Agriculture and Natural Resources Policy Analysis Network (FANRPAN) in Pretoria, South Africa.

This is Daniel Muruqu, I am very delighted to join you for this very important meeting from Nakuru City, KENYA, EAST AFRICA.

Is there a tech support person here? I cannot see the presenters or the slides. Tried logging out and back in and tried to pair with the room but that did not work.

@marise Blom. Can you share contact?

@Host . How many farmers/growers are participating?

Dear presenters would you please share the presentations to all the participants? Sometimes due to poor network we may miss important parts. Thanking you!

Hi everyone, This is Hammond Mensah from Ghana. I work for Solidaridad and I am based in Accra.
Hi everyone, This is Justice Okona Frimpong from Accra, Ghana. I work for the Ghana Atomic Energy Commission in an institute known as the Biotechnology and Nuclear Agriculture Research Institute.

[Michael Saltz] All of the presentations will be shared after the webinar.

Open to collaboration and opportunities pls.
It is great to hear the speakers highlight the critical role of agricultural research, development, and extension for food systems resilience.

Hello all, if you are having issues viewing the presentation I suggest a few things: first ensure all other tabs and applications are closed/turned off - and then exit the event and try rejoining - if that still doesn't work I suggest restarting your computer so it can be at a "fresh state"

Good afternoon. I am Waheed Akinola Hassan from Usmanu Danfodiyo University, Sokoto, Nigeria. It's my pleasure to join this important meeting.

Good morning from Virginia. Good to see the interest in agriculture. I am Vicki Walker of PRIME Intl. building promise for younger youth to learn and earn in agriculture in Africa.

Good morning from Alabama. Tuskegee University

Good morning from Ethiopia. I am Zeritu and interested to hear the African Agriculture

Good evening from Kenya, i am Henry Momanyi

Hello, Abass from AJE AGRICULTURE in Nigeria.

Good evening. I am Alioune Tour from Senegal

For those interested you might want to visit the website: https://smallholderagriculture.agsci.colostate.edu/

Greetings from Bello I Galoji of Desert Gold Enterprise Nigeria, glad to hear how agribusiness is going next level at production value addition and Market

Congratulations for your brilliant presentation on the Rwandese seed system including value chains of production, processing and market. Thanks to all the partners who contributed for the progress in seed system.

Good evening, greetings from Uganda
Good evening, greetings from Eastern Hararghe, Oromia, Ethiopia.

Great presentation Claude.
The presentations so far are quite informative and stimulating.
Hello all am Musa Konneh from Sierra Leone

Alexandra Spieldoch here from Bountifield International which is a postharvest technology solutions provider for smallholder markets in sub-Saharan Africa: www.bountifield.org

Goodevening Carolyn from Uganda. Thank you for the great presentations.
Hello, this is Michelle from The Harvest Fund in Zambia. It was great to hear Kwame's presentation and Sahel Grain's export to the EU. Here in Zambia and many neighboring countries, sometimes there is a maize deficit for local demand. Very inspiring to hear of a Ghanaian company growing enough maize for international export.

Thanks so much for organizing this learning event!

Sorry, I have to drop off and go to another meeting but Fadel the Deputy President and the team at AGRA will take any question

African farmers need financial support for at least 10 years if not longer for subsistence to small scale farmers especially women who represent up to 70% of the labour force.

thanks for nice presentations. Greetings from Michael with whatsapp +8615081119212 and hope to discuss more for African agriculture.

Sorry, i need to drop off. Fadel and team will step in

Thank you very much nice and informative presentations

Greetings to everyone. This is Okanlade Lawal-Adewale from the Department of Agricultural Extension and Rural Development, Federal University of Agriculture Abeokuta, Nigeria. My research focus is in Agricultural Knowledge Development and Innovation Communication. Open to collaboration to anyone on Sustainable Farming System

Thank you to all the organizers and panelists! I hope to network further. https://www.linkedin.com/in/forestgovernance/ Please reach out!

Thank you for the excellent event

thanks
