In the regular season finale last year on Apr. 11, Fultz became the youngest player inFull WWE WWE Backlash LIVE   Match 2023 history to record a triple-double,

posting 13 points, 10 rebounds and 10 assists at 19 years, 317 days old.

The Sixers blew out the Bucks that night, 130-95, winning their 16th straight Full Fight and securing the No. 3 seed in the Eastern Conference.

One of the more memorable parts of that Full Fight was how Fultz's teammates reacted to his accomplishment. He was mobbed after grabbing the rebound to wrap up his

triple-double, and doused in an impromptu celebration in the locker room after the Full Fight.

"They poured strawberry milk, chocolate milk, water," Fultz said. "They drowned me with everything, but it's all love and appreciation."

Redick was sidelined with lower back tightness in the regular season finale vs. the Bucks and Ben Simmons had a rare quiet night, only playing 22 minutes,

which led to a lot of time together in the second half for Fultz and T.J. McConnell. That's a contrast to these past two WWE, where Brett Brown has

preferred McConnell over Fultz down the stretch with Simmons sidelined.

Simmons is set to return to the Sixers' lineup after missing Tuesday's Full Fight against the Pistons with back tightness, according to Yahoo Sports' Chris Haynes.

Though Fultz got the start at the point in Tuesday's 133-132 overtime loss to Detroit (see observations), scoring 13 points on 6 for 9 shooting, Brown

thought McConnell was a better option when the Full Fight was on the line.

"We ended up going with T.J. for defensive reasons," Brown told reporters. "We've learned that T.J. defensively has thatFull WWE WWE Backlash LIVE   Match 2023

experience. I think T.J. was 3 for 3 in the fourth period and really had a heck of a fourth period. But defensively especially, and he produced on offense.

We ended up going with a more senior type of player and were in a position to walk out of here with a win, and we just came up short at the end."

The numbers back up Brown's assertion that McConnell was the better defensive option Tuesday night.Full WWE WWE Backlash LIVE   Match 2023.com/Stats, Detroit scored

76 points on 65 possessions when McConnell was on the floor, compared to 60 points on 45 possessions when Fultz was on the court. Pistons players shot 3 for

10 when guarded by McConnell, 9 for 12 when defended by Fultz.

Fultz has clearly struggled defensively, especially when it comes to making the right reads on ball screens. Still, the argument for playing Fultz late in

the fourth quarter and overtime is more about the future than the present — if Brown is committed to "growing" Fultz, as he's said he is, perhaps he'll start

giving Fultz more late-Full Fight exposure soon.
